Abhinay Cherupally
Data Scientist

PROFILE

I'm Abhinay Cherupally, a student of Artificial Intelligence and Machine Learning with a strong foundation in data science. Alongside my studies and projects with Intel, I am an SEO blogger and affiliate marketer focused on smartphones and laptops. I combine my technical background with my passion for Building LLMs, GenAI models and Creating Content.

WORK EXPERIENCE

Duration: 2020 - Present

Job Title: Blogger

- I've created engaging, SEO-optimized blog content on tech topics for Techabhee, effectively boosting website traffic by monitoring analytics and adjusting content strategy for higher engagement and conversions.

Duration: May- July 2023

Job Title: Intel Industrial Trainee

- I teamed up with Intel to work on a project about spotting fake news using computer smarts. We used clever tricks to build a tool that can tell if news is real or not, showing my love for using technology to solve real-world problems.

PROJECTS

Fake News Detection Using Machine Learning
- Collab with Intel Corporation

Resume Parser with LLM Integration
- FullStack ML Project with Match Score
